~ Galatians 3:26

Celebrate Your Child's Baptism, Chrismation & First Communion at the Greek Orthodox Cathedral of the Virgin Mary!

136 Sorauren Avenue ▪ Toronto, Ontario ▪ M6R 2E4

As the first Sacraments received by an Orthodox Christian, Baptism, Chrismation and First Holy Communion are blessed, joyful and transformational milestones in the life of your child.

Since 1961, the Greek Orthodox Cathedral of the Virgin Mary has been the spiritual home of thousands of Greek Orthodox Christians in Toronto and vicinity. All of us at the Cathedral appreciate how important this day is in the lives of our families.

With bilingual services and Baptismal Seminars, we strive to make your child's Baptism a joyful, spiritually uplifting and prayerful experience — one to remember for years to come.
